HIGH ACHIEVERS PROVIDE OPPORTUNITY

“High Achievers is an excellent summer program. You allow the kids to be creative and have fun all while ensuring they don’t miss out on learning and keeping up the necessary academic skills needed for the upcoming school year. It’s not just all fun and games for 3 months. You ensure they stay on top of their learning and that’s awesome”

-SAEP Parent

“The women behind High Achievers Aim High were amazing partners as we sought to implement a new Peer Mediation plan at Clark Montessori. They were highly creative and effective in helping students at be trained in Peer Mediation & anti-bullying strategies. HAAH took the additional step of mentoring our high school students as they trained 4th, 5th, and 6th graders at North Avondale Montessori in Peer Mediation strategies during a 2-week intersession. The result was a strong network of student peer leaders, across schools and of various ages, who could help us achieve our PBIS goals.

Thank you High Achievers!”

-Dean Blase (CPS)

“Ms. Smith and her staff have developed an exceptional program for children in our community. They have been a part of Whole Again's Summer Food and Enrichment Program network for several years. They deliver a high quality program. They have earned our highest award for exceptional service. It continues to be a great pleasure to work with them every summer.”

-Whole Again
